Service Report

Date: January 17, 2022

Technician: Justin Powers

Client: Northglen HOA

Waterways: 4 ponds

Pond 1: Water level was normal and clarity was poor. Perimeter was in good condition and no algae noticed.

Pond 2: No trash noticed. Water level was normal and clarity was poor.

Pond 3: Pond was in good condition. Water level and clarity were normal. No trash noticed.

Pond 4: Previous algae treatment was effective. Water level and clarity were normal. Checked outflow structure. Picked up minor trash.

Please call Charles Aquatics with any questions or comments.
